Termination of Investment Options within Perpetual Select Super Plan

Following a comprehensive review, we've determined that it is in the best interests of members to cease offering the following investment options:

- Perpetual Select Super Plan – Real Estate Option
- Perpetual Select Super Plan – Fixed Income Option

These options are being terminated as there has been little interest from members in investing in them.

What does this mean to me?

As an investor in the above option(s), you can continue to transact on the options until 3pm Friday 3 June 2022. Following which, the underlying investments of the options will be sold, and the options will be terminated with an effective date of on or around 10 June 2022.

What do I need to do?

Up until 3pm Friday 3 June 2022, you can choose to move your holdings into any of the remaining investment options offered in Perpetual Select Super Plan. See Attachment 1 for details of fees and performance of these options. Please also refer to the current Product Disclosure Statement available at www.perpetual.com.au/select-super-updates for further information. You are able to switch either online (by logging into myPerpetual at www.perpetual.com.au/login) or by completing the enclosed switch form and returning it in the reply paid envelope.

If you remain in the option until the termination date, your holdings will be moved to the options shown in the table below. These options were selected as having the most similar risk and return profile as the terminating options.

Terminating Investment Option	Estimated total ongoing annual fees and costs (%pa)	Successor Investment Option (default)	Estimated total ongoing annual fees and costs (%pa)
Real Estate Option	1.03%	Growth Option	1.35%
Fixed Income Option	0.87%	Conservative Option	1.18%

Note, that the successor options provide exposure across multiple asset classes and have higher fees than the terminating options. These higher fees reflect the range of investments held by these options. Details of the investment strategies of the terminating and successor options are at Attachment 2.

Any questions?

We recommend you obtain financial advice about any investment decisions. You should also ensure that you have read the current Perpetual Select Super Funds product disclosure statement, which is available on our website at www.perpetual.com.au, before deciding to transfer your investment option to a successor option, or switch your investment into another Perpetual Select Super Fund.

If have any questions or would like more information, please speak to your financial adviser, email investments@perpetual.com.au, phone us on 1800 003 001 during 8:30am - 6:00pm (AEST), or visit www.perpetual.com.au.

Yours sincerely

Cate Jones

Head of Service Delivery
