

The non-bank sector in Australia and New Zealand: past, present and future

16 February 2023

The story of Australia and New Zealand's non-bank sector, past present, and future.

A Perpetual Research Report, February 2023.

Non-banks in Australia and New Zealand have enjoyed record growth over the past decade, but can this success be sustained under new market conditions?

Perpetual and the Australian Securitisation Forum have collaborated to look at the reasons for the growth of non-banks as well as the sector's opportunities and challenges for future growth.

So what did that data tell us? You can find out everything by downloading the report itself. But here are some key points.

Industry Insights

Sharing insights from 31 securitisation industry experts, our comprehensive report looks at:

1. The state of the market: past performance helps predict future patterns.
2. The non-bank evolution and factors for success:
 - Access to funding
 - Unmet consumer needs
 - Innovation in technology
 - Relationship building
3. Challenges that may shape the future of the non-bank sector.
